Dear Dawn Rost:

Hello, I am reaching out on behalf of the South Dakota Board of Medical and Osteopathic Examiners to extend an opportunity to provide your membership with information about the Medical Board Monitoring Program (MBMP) for BMOE licensees. I have been setting up conference calls, in person meetings, and doing whatever I can to help professional Associations such as yours to understand how this program works, and the differences between it and any employee wellness or monitoring programs.

If you would like to set up time to talk, please let me know, and to assist you in that regard, I have attached the FAQ article (*link for browser below*) that we have been running in the South Dakota Medicine Journal.

Link- please copy and paste in your Browser:

I am happy to answer any questions that you or others may have about this program.

Sincerely,

Margaret B. Hansen, PA-C, MPAS, CMBE
